## Love Your Community

LYC TEAM SPOTLIGHT: **Revitalizedip!!** 📸 ✨

📌 Read more about the amazing RevitalizeDIP!

RevitalizeDIP was established in 2018 out of a growing concern in the community, primarily crime. We are now an official 501(c)3 organization with three objectives: crime, blight, and litter. We right away realized litter was a huge problem in our area, so thereafter, we made it a priority.

In 2022, we officially signed up as a team and, to date, have been awarded \$3,000.00 and are close to winning an additional \$1500.00. Aside from cleaning up our community, we feel this is necessary to eventually have more commerce, development, and population on south DIP.

Thus far, we have completed a makeover at the CVS pocket park at 3100 DIP, and we are still working on the flower bed at the Gulfdale Promenade. We are close to finishing this project and need to conduct the final selection of trees to be planted in this location. This location is a central landmark on south DIP and is where we hold our annual fundraiser. We are excited about the future of our community and the benefits a clean community will bring. We are very appreciative of the work and education LYC provides to keep our community clean.

We are ALWAYS looking for new teams and individuals to join the program! Our current teams consist of churches, schools, organizations, and more! If this sounds like something you would be interested in, check out our website at <https://www.mobilecountyal.gov/loveyourcommunity/>
